

11/1/2024

Dear Patients:

It is with mixed emotions that I announce my departure from Amarillo Urology Associates (AUA), effective 1/1/2025. It has been a great pleasure providing for your healthcare needs over the years, and it is not easy for me to give it up.

As of 1/1/2025, one of the other physicians within this practice will assume my patient's care. Each Of these physicians is very capable and willing to continue to provide top-notch care.

Of course, you may seek medical care from another doctor if you like. If you choose to do so, I recommend looking for a new physician as soon as possible.

Your medical records are confidential, and a copy can be transferred to another doctor or released to you or to another person you designate only with your permission. If you plan to continue with this office, the records are already accessible to any provider within the office. Medical records will continue to be on file at AUA.

I have valued our relationship greatly. Thank you for your loyalty and friendship over the years.

Best wishes for your future health.

Sincerely,

Ruiyang Jiang, MD
